Welcome to GitHub
You've taken your first step into a larger world, @kevcostello.
Completed
Set up a personal account
Step 2:
Choose your plan
Step 3:
Tailor your experience
Choose your personal plan
Unlimited public repositories for free.
Unlimited private repositories for $7/month.
Don't worry, you can cancel or upgrade at any time.
Help me set up an organization next
Organizations are separate from personal accounts and are best suited for businesses who need to manage permissions for many employees.
Learn more about organizations.
Both plans include:
Collaborative code review
Issue tracking
Open source community
Unlimited public repositories
Join any organization

Quick setup — if you've done this kind of thing before
Set up in Desktop or HTTPS SSH https://github.com/kevcostello/cmpt220costello.git
We recommend every repository include a README, LICENSE, and .gitignore.
...or create a new repository on the command line
echo "# cmpt220costello" >> README.md
git init
git add README.md
git commit -m "first commit"
git remote add origin https://github.com/kevcostello/cmpt220costello.git
git push -u origin master
...or push an existing repository from the command line
git remote add origin https://github.com/kevcostello/cmpt220costello.git
git push -u origin master
